

# **ASSISTANT CORPORATION COUNSEL LITIGATION DIVISION**

The City of Boston Law Department is seeking an attorney with 5-7 years of civil litigation experience to represent the City of Boston and its individual employees in complex litigation in state and federal courts. The attorney will be responsible for all phases of litigation including drafting pleadings, motions, and briefs; conducting all phases of discovery; court appearances; settlement negotiations; and conducting all phases of trial and appeals. Trial experience preferred. The position requires written and oral advocacy communication skills and experience in the following areas preferred: civil rights, employment law, and personal injury. The City of Boston is an equal employment opportunity employer. Admission to the Massachusetts Bar and residency in the City of Boston is required.
