

MUNICIPAL, LABOR, AND SCHOOL LAW ATTORNEY

Mirick O'Connell, a leading Massachusetts law firm with offices in Worcester, Westborough and Boston, is seeking an experienced municipal, labor, and school law attorney to join the team. This position is part-time, working in either our Westborough or Worcester office with the opportunity for a hybrid schedule.

Responsibilities will include representing municipalities, public school districts, and other public entities on matters related to general municipal law, employment and labor relations, and education law, including collective bargaining, policy drafting, administrative hearings, student rights, and other education-related issues. Experience in municipal, employment, or education law matters, including federal and state laws governing public entities, is required.

Excellent analytical, drafting, and verbal communication skills, strong academic credentials, practical problem-solving ability, and the ability to interact effectively with clients are required. We provide a collegial, team-oriented working environment, excellent support, and competitive compensation and benefits.

If you share our commitment to outstanding client service and effective teamwork, we invite you to submit a confidential application on our website at:
