

Experienced Litigation Attorney (Civil Litigation)

Full-time

Pierce Davis & Perritano, a downtown Boston law firm with active litigation practice defending municipalities and their officials, seeks an experienced litigation attorney with 5 to 10 years' experience to join their team. The position involves the handling of challenging and diverse cases involving the defense of lawsuits alleging civil rights violations, employment discrimination, personal injuries, land use disputes, breach of contract and myriad other claims.

The ideal candidate will have significant litigation experience (preferably including jury trials), superior academic credentials, strong writing skills, and approximately 5 to 10 years or more as a member of the MA Bar.

The firm has a collegial work environment, flexible remote-work protocol, strong mentorship, and the lawyers have one-to-one client contact and autonomy over their case management. An independent skilled litigator will flourish in the firm. Salary commensurate with experience and a generous benefits package. Interested candidates may apply through LinkedIn or email their resume and cover letter to the Law Firm Administrator Michael Frenette at mfrenette@piercedavis.com.
